Location: Davis Polk Offices, New York, NY

A live and archived webcast of the presentation can be accessed by visiting the Investors page of the website at <https://investors.surfaceoncology.com/news-events/events>.

About Surface Oncology:

Surface Oncology is an immuno-oncology company developing next-generation antibody therapies focused on the tumor microenvironment with lead programs targeting CD73, CD39, IL-27 and CD47. Surface's novel cancer immunotherapies are designed to achieve a clinically meaningful and sustained anti-tumor response and may be used alone or in combination with other therapies. The company has a pipeline of seven novel immunotherapies and a strategic collaboration with Novartis focused on NZV930 (CD73) and potentially one additional undisclosed program.
